

DOUGLAS COUNTY ANNUAL CHRISTMAS TREE RECYCLING PROGRAM

Douglas County Parks and Recreation is once again offering a Christmas Tree Recycling Program to the public. We will once again be working with Douglas Disposal and South Tahoe Refuse, who will provide curbside pickup of trees.

HOW TO RECYCLE YOUR CHRISTMAS TREE

1. Place your tree next to your trash can on your normal pickup day:
January 5th through the 9th in both the Carson Valley and Lake Tahoe.
*Residents who do not have trash pickup may put their trees out with neighbors who do.

OR

2. Drop off your tree at one of the following collection sites:
Lampe Park – Waterloo Lane, Gardnerville
Johnson Lane Park – Stephanie Way, Johnson Lane Area
Topaz Ranch Estates Park – Carter Way, TRE Area
Ranchos Aspen Park – Muir Drive, Gardnerville Ranchos Area
Fairgrounds – Pinenut Road
Zephyr Cove Park – Warrior Way
Kahle Park – Kingsbury Grade at Hwy 50

To protect workers and equipment, PLEASE remove tinsel, lights, nails, and stands from your tree before dropping it off.

Flocked trees will not be accepted because they “gum up” the chippers.

Contact Douglas County Parks and Recreation for more information –
782-9835 or 782-9828.
